A resort-style tower packed with amenities to support an active sun-splashed luxury lifestyle. Located in the exclusive Santa Maria Golf Country Club community the project offers more than 17 unique amenities from a rooftop ocean-view gym and paddle tennis court to a wine deck lap pool and a pet grooming room. Created by Grupo Los Pueblos one of Panamas most respected and experienced developers brings together all the elements of work live and play into one beautiful project with spectacular views of the Ocean and golf course. Was designed by the Panama architecture firm of Edward McGrath Associates which has created dramatic buildings around the country. The design takes full advantage of the site the sun and the location as part of the Santa Maria community. The array of amenities was developed to support wellness work family time and an active lifestyle. The lower floors are full of areas for socializing and gathering with the family including a barbecue gazebo juice bar game room and separate kids club as co-work space and meeting rooms. On the roof in addition to the gym and paddle tennis court there is a yoga deck and spinning room..
