This is a rare find. A "Maison de Vigneron" (Winegrowers House) in a pretty village close to Pezenas **WITH A GARDEN !!!** Ill say that again.....**WITH A GARDEN !!!** Houses like these do not come along very often at this price point. The house has been well loved but does need some updating but WOW, what a house. At approx 10m x 8m the rear walled garden is big enough for a small swimming pool, gets the sun and yet is quite private. The living space is laid out over the first and second floor but has great scope for modifying. Straight away the rear 34m bedroom could very easily be split into two large doubles, while for the adventurous of you theres the possibility of converting the rear part (or all of it if you feel like it) of the garage into a fantastic ground floor living room leading straight out to the garden.
