Spacious villa with panoramic seaview for sale in Benitachell. This villa has been build in 2002 and benefits of stunning panoramic seaviews from all the levels. it haw a garage on street level and a few steps lead to the house. On the level we find a spacious lounge with fire place, dining room with open plan kitchen. Both rooms benefit from THE VIEW. On this level we also find 2 bedrooms and a bathroom. By an internal staircase we reach the lower floor with 2 bedrooms and 2 bathrooms. There is another room, now used as dressing room, but could be the 5th bedroom. In this level 1 bedroom and bath can be separated to have an independent studio for guests, the kitchen is already installed. The whole house benefits from gas central heating, air condition h/c and marble floors. The windows are partially double glazed. From the lower level we also get direct access to the pool with its terraces and lovely BBQ area, from where we still enjoy the panoramic views. If you want to enjoy these stunning views in a good quality house, do not wait any longer and ask for a viewing.
