Address: Javea, Alicante

Magnificent luxury villa in immaculate condition and of a top quality construction, with wonderful panoramic views to the valley and mountains. The property consists of the main house, a separate triple garage block with 1 bed apartment above and a third block consisting of a dog house with kitchen and storeroom. The main house consists of double height entrance hall, office, guest toilet, large kitchen-diner, spacious lounge area with access to the ample naya and the terrace with a luxury 10 x 5m pool. An impressive staircase leads to the first floor with the master suite with access to a very large terrace from which to enjoy the spectacular panoramic views. On this level are also three further large bedrooms with en-suite bathrooms. External access leads to the fully insulated under-build with a shower room, Gym, Bodega, store room and equipment room. Outside is the pool and terrace plus an enormous fully equipped summer kitchen with dining area (60m²) with an electric opening roof and atmospheric lighting, all with the wonderful views. The apartment above the garage has its own access from the street and consists of a bedroom area, spacious lounge-dining area, kitchen, bathroom and balcony. The property has been designed with an ecological consideration including solar powered hot water, underfloor heating powered by a heat pump, a 45ltr deposit with pump for watering the garden and the highest quality of insulation. Totally private and secure, the photos and description can only give a flavour of this stunning property and a visit is highly recommended to appreciate the villa and the numerous outstanding features. Floor Plans available upon request.
