Fantastic offer for a very beautiful, split level corner townhouse in a typically Andalusian style village type community, frontline Cabopino golf, with golf and sea views, over the private garden. This very cosy corner townhouse offers you already at its entrance a very cosy and Andalusian feeling, entering through a private courtyard full with flowers on the walls. The dining area is next to the fully equipped kitchen and on an open split level a few steps below you overview the big lounge from it. There are a special moorish style open fireplace and curved ceiling feature in the lounge, that add to the Andalusian character. You access the private terrace and private garden from here, with golf and sea views. 2 bedrooms share one renovated shower bathroom with window to the exterior and there is a separate guest toilet. The community impresses with its huge pool in a very natural surrounding of pine trees and many little places and walkways in village style. It is located opposite the beautiful harbour of Cabopino, with its fantastic fine sandy beach and many restaurants and bars to enjoy. Commented and guided video tour link: <http://bit.ly/2yOQY0N>.
