Colonial-style villa with sea views for sale in Sant Andreu de Llavaneres Colonial-style villa with landscaped gardens, swimming pool and panoramic sea views The house is distributed over one floor with the living, room kitchen and dining room to one side and the bedroom accommodation to the other. The entrance hall in the centre leads to the central living room with its stone fireplace and the French windows opening onto the gardens and views out to sea. To the side is the dining room and beyond the spacious well-lit kitchen with its modern design and breakfast island. On this floor we also find two large bedroom suites with built-in wardrobes and bathroom, two further double bedrooms with built-in wardrobes, a bathroom. There are, additionally, an office and a laundry/utility room. The 440m² house was designed in the colonial style and built to the highest with the finest natural materials such as extensive woodwork, stone and earthenware tiles. It has been renovated to the latest specifications. The house is surrounded by 3,700m² of grounds, including well-landscaped gardens, trees, bushes leading down to the delightful swimming pool built over the pool house. The seclusion is total and yet the views from poolside are magnificent. Further areas include outdoor dining or relaxation areas with sun or shade. Plus parking places and even a football pitch. ...
