Charming property in Moraira, Moravít. This three bedroom villa is located in a quiet street of the Moravít area in Moraira. You enter the property through wooden doors straight onto the pool terrace with its private 3x5m swimming pool. From here you enter the house either through the main entrance door or through the large window door. The spacious living-dining area leads you from one side to the kitchen with access to the interior patio which is ideal for outside dining, on the other side a corridor brings you to three spacious double bedrooms, one with en-suite bathroom and to an additional family shower room. The entire property is themed and decorated in a Morracon style and gives an extremely nice atmosphere from the first moment you walk in. There is a large 2 car garage which is attached to the property with its own separate entrance. An absolute jewel of a property at a very reasonable price for Morairas property market.
